Dear Ms. Sinram:

V2RD is in receipt of your Request for Additional Information (RAI) dated January 7, 2015, regarding the 12 Day Pre-General Report (10/1/2014 - 10/15/2014) (Pre-General Report). This statement provides information related to your request for information related to certain Schedule E transactions and potentially the related Schedule D transactions, regarding the deadline for 24/48 Hour Notices, and regarding the Calendar Year-To-Date Per Election total(s) for Senate races.

On January 31, 2015, V2RD filed an amended Pre-General Report (report ID FEC-991734). The amended report removed two transactions that should not have been reported on the Pre-General Report. These transaction had been included out of an abundance of caution and in an effort to submit a Pre-General Report that was as comprehensive as possible. With the benefit of additional information since the time of filing, the Pre-General Report should not reflect these transactions.

Specifically, one of the transactions that the amendment removed was a Schedule E transaction for Holiday Inn for \$3022.02. Consequently, issues related to the Holiday Inn transaction as a Schedule E transactions, the potentially related Schedule D transactions used as a work around for the limitations of the FEC Filing Software, and the timeliness of the filing of a related 24/48 Hour Notices are no longer applicable.

Additionally, V2RD filed and amended October Report on January 31, 2015, (report ID FEC-991733) that included an update to dates for certain Schedule E transactions. As of the filing of this statement, the Calendar Year-To-Date Per Election reflected on the amended Pre-General Report are accurate.

It is my hope this statement provides an adequate explanation for issues outlined in your RAI. Please do not hesitate to contact me if you have any questions or need additional information.

Sincerely,
Kenneth Davis, Jr.
Treasurer
